Mogadishu, Somalia

WHO WE ARE

One app.
Every service.

Tanaad App by Tanaad Ltd brings the services people use every day into one simple app: exchange, shopping, travel, events, home services, internet, TV and ICT solutions. Order in a few taps, and our team confirms and follows up by phone or WhatsApp.

OUR MISSION

Make exchange, shopping, booking and everyday services fast, fair and simple, all in one place.

OUR VISION

To become the number 1 app that combines many services in one application.

How to order

1. **Open Tanaad App**
   On Android, iPhone or the web at tanaadapp.com.
2. **Choose a service**
   Tap the service and fill in a few details.
3. **We confirm**
   Our team calls or WhatsApps you with the details and price.
4. **Pay and relax**
   Pay from your wallet or mobile money, then track your order in the app.

MONEY & SHOPPING

Exchange and shop

Move money between wallets and shop online, with delivery to your door.

Money exchange

Wallet to wallet in seconds

Exchange between EVC Plus and other Somali mobile money wallets. The rate and fee are shown before you confirm.

Digital money

USDT and more

Exchange digital money such as USDT with local mobile money at a clear rate.

Tanaad Store

Free delivery in Mogadishu

Electronics, home appliances and solar products, delivered free to your door in Mogadishu.

Partner stores

Cafés, restaurants & supermarkets

Order from shops near you inside Tanaad App and get it delivered.

For shops and restaurants

List your products in Tanaad App, or connect your own website or app. We bring you new customers and handle delivery. Joining is free.

TRAVEL & EVENTS

Book your trip and your big day

Tickets, hotels and halls, arranged by the Tanaad team.

Flight tickets

Somalia and abroad

Book flights inside Somalia and abroad. Tell us where and when, and we arrange the rest.

Hotel booking

Rooms wherever you travel

Hotel rooms in Somalia and abroad, booked for you by our team.

Wedding & event halls

Weddings, meetings, celebrations

Find and book halls for weddings, conferences and family events.

HOME & ENTERTAINMENT

Everyday services at home

Gas, internet recharge and TV, without leaving the house.

Cooking gas

Delivered to your door

Order gas cylinders for your home or business and get them delivered.

Internet recharge

Home and mobile internet

Recharge Hormuud home internet and mobile data, and Somtel internet, from the app.

Tanaad TV

Watch TV in the app

Free TV channels inside Tanaad App: news, sport, kids, religion and more.

ICT SOLUTIONS

Technology for your business

We supply, install and support ICT hardware and software for homes, companies and organisations.

ICT hardware

For homes and businesses

Computers, networks, CCTV, solar systems, phones and accessories, supplied and installed.

Software & systems
